

REMARKS/ARGUMENTS

Favorable reconsideration of this application as presently amended and in light of the following discussion is respectfully requested. Claims 1-33 are pending, Claims 1, 5, 6, 11, 12, 16, 21, 22, 27, and 28 having been amended by way of the present amendment.

In the outstanding Office Action Figures 6A and 6B were objected to; the disclosure was objected to; and Claims 1-31 were rejected under 35 U.S.C. § 112, second paragraph; and Claims 32 and 33 were indicated as containing allowable subject matter.

Applicants appreciatively acknowledge the identification of allowable subject matter.

In reply a separate letter requesting entry of formal drawings 6A and 6B is filed herewith, as requested.

The specification has been corrected as requested.

Claims 1, 5, 6, 11, 12, 16, 21, 22, 27, and 28 have been amended, consistent with 35 U.S.C. § 112, second paragraph. It is believed that these amended claims comply with 35 U.S.C. § 112, second paragraph. However, if the Examiner disagrees, the Examiner is invited to telephone the undersigned so that mutually agreeable claim language may be identified.

Consequently, in view of the present amendment, indication of allowable subject matter, and the foregoing comments, it is believed that the invention defined by Claims 1-33,

Application No. 10/092,512
Reply to Office Action of October 8, 2003

as amended, is definite. The present application is therefore believed to be in condition for formal allowance and an early and favorable reconsideration of this application is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
